3. Regular general meetings are held on the 3<sup>rd</sup> Friday of each month at the San Francisco County Fair Building at 12:00 noon. The exception is the December meeting, held on the 2<sup>nd</sup> Friday, at 12 noon. Changes of location or date to be approved by the Board of Directors. Vacation months are June, July and August.

8. The fee for a guest at general meetings is \$5.00. This fee does not apply to members of other I.I. chapters. Guest fees are subject to change if the Board of Directors deems it necessary. No one may attend as a guest

more than twice in a membership year. There is no charge for spouses or caregivers of members.

IKEBANA INTERNATIONAL  
San Francisco Bay Area Chapter

INFORMATION AND GUIDELINES FOR DONATING CONTAINERS

These guidelines have been developed to assist Ikebana International (I.I.) members and their relatives or estate executors of deceased I.I. members who wish to donate Ikebana containers, materials, equipment, books, etc. at meetings of I.I. Questions regarding these guidelines should be referred to the I.I. President or a member of the Board of Directors.

1. The donor should contact any member of the Board of Directors to arrange having the containers viewed. The donor should collect and display the items so it is easier for the I.I. representative to count and evaluate them.
2. Only containers and equipment in good, undamaged condition – clean, no chips or cracks, no imbedded kenzan, etc. – will be accepted for sale by I.I. Donors are advised that used containers and equipment, no matter the original purchase price or value, will probably sell for much less than a new, unused container.
3. Pricing for sales will be done by an I.I. member who is experienced in such sales. The date for the sale at a general meeting will be determined by the Board of Directors.
4. Donations may be an outright gift to Ikebana International with the proceeds donated to I.I. The donor will be issued a letter stating the value of items sold. In most cases this letter may be used for tax purposes.
5. Donations also may be sold on a 40/60% basis, with 40% of the proceeds after expenses going to the donor and 60% to I.I. After the sale, a letter will be issued stating the net value of the items sold which may be used for tax purposes. Any unsold items must be retrieved by the donor or I.I. will dispose of them. The donor is responsible for transportation of containers and/or equipment to the County Fair Building in San Francisco.
